

Community Partner,

The 2026 edition of St. Charles Fall Fest is set to take place September 11-13. This three-day festival on our parish grounds featuring food, games, rides and live music sees St. Charles play host to thousands of residents from Hartland and the surrounding Lake Country area.

Fall Fest continues to be an important means for St. Charles to further its mission within the community while also serving as a significant fundraiser for our parish and school.

Critical to ensuring the ongoing success of Fall Fest is generous support from you in the form of event sponsorship. Support from your business provides the integral funding necessary to cement Fall Fest as a community mainstay.

The St. Charles Fall Fest Committee is once again offering various opportunities to partner with local businesses on featured sponsorships and/or in-kind donations, all with associated incentives. With wide-reaching online promotion and approximately 20,000 attendees over the course of the festival, sponsorship provides excellent exposure for your business.

Refer to the enclosed sponsorship form for complete details on sponsorship levels, associated incentives, and how to donate. \*

Please contact me with any questions. Thank you for your support of St. Charles Fall Fest. I'm looking forward to seeing you there.

Best Regards,

John Sigrist
