

Fellow Parishioners,

The 2026 edition of St. Charles Fall Fest is set to take place September 11-13. This three-day festival on our parish grounds featuring food, games, rides and live music sees us play host to thousands of residents from Hartland and the surrounding Lake Country area.

Fall Fest continues to be an important means for our parish to further its mission within the community while also serving as a significant fundraiser for our parish and school. Not to mention the fact it provides a meaningful opportunity to bring our parish members together in order to pull it all off while having a lot of fun in the process, perhaps the greatest benefit of all.

Critical to ensuring the ongoing success of Fall Fest is generous support from you in the form of event sponsorship. Whether sponsoring as an individual, family, or for your business, your support provides the integral funding necessary to cement Fall Fest as a community mainstay.

The St. Charles Fall Fest Committee is once again offering opportunities for individual sponsorship levels, featured sponsorships, and in-kind donations, all with associated sponsor incentives. With wide-reaching online promotion and approximately 20,000 attendees over the course of the festival, sponsorship provides excellent exposure for your local business.

Please refer to the enclosed sponsorship form for complete details on sponsorship levels, associated incentives, and how to donate. \*

Thank you for your support of St. Charles Fall Fest. I'm looking forward to seeing you there.

Sincerely,

John Sigrist
